Some hints. Take a little Handy Andy or similar. A few rags for cleaning. A fork is handy for removing dead flies from window tracks. Windows need something to cut the cooking residue. Damp newspaper makes a standby window cleaner. Dry paper will clear it. Use hut broom/hearth brush to clean toilet, the high outside windows & clearlite.

You can return to RHCT by scan/photo [huntercamptrust@hotmail.com](mailto:huntercamptrust@hotmail.com) post PO Box 1536 Invercargill. But we would prefer you tell us by submitting an online [Hunter Report](#) as collating hunter effort on the Island provides very useful data.
